TOPSOCCER PROGRAM

ABOUT OUR TOPSOCCER PROGRAM

Vancouver United is proud to be a part of the Washington Youth Soccer Total Outreach Program for Soccer (TOPSoccer) that is designed to meet the needs of players with special needs. This special needs program was established to promote the game of soccer in a unique segment of our clubs community. The Summer/Winter programs and curriculums are designed by the Vancouver United Coaches and consultants specializing in the needs of our unique players. Each program will include practice activities and weekly games.

Each session is geared towards fun and development rather than competition. Athletes are placed on teams according to ability and **NOT BY AGE**.

What should a parent expect from the program:

- The program will be a fun and meaningful experience for the parent and their child.
- The program will be adapted in ways that will ensure their child learns at his/her ability.

- The program will improve the overall fitness, self esteem and social skills of their child.
